Claim Form

With EyeMed providers, you do not need to obtain a claim form for services. Simply tell the provider you are an Ameritas EyeMed Access member when you make your appointment or visit a participating provider location. Typically, for out-of-network reimbursements, you will need to pay the provider in full at the time of service, and then submit a claim with receipts for reimbursement. To obtain an out-of-network claim form, visit ameritas.com, Account Access, Dental/Vision/Hearing drop down, Forms.

Start by Locating Your EyeMed Provider

Once you become a member, you will want to create a Secure Member Account at ameritas.com for access to the network's list of participating providers. When making an appointment, and prior to receiving services, please confirm that the provider chosen is currently participating in the network, and inform the provider of your EyeMed coverage.

To verify that your eye doctor is an EyeMed provider, or to locate an EyeMed provider:

- Visit ameritas.com, Find a Provider
- Call EyeMed Customer Care Center at 1-866-289-0614
