Plan features and
benefits specially
prepared for Hy-Vee

Be prepared for the unexpected

A sudden accident resulting in an injury to you or a loved one can happen at any time. Being prepared for such an unexpected event and the financial challenges it may bring is essential.

Peace of mind if an accident occurs

Even with a minor accident, costs can add up fast if you miss work, need child care, or have a large health plan deductible. With a Kemper Health Accident Indemnity insurance policy, you can rest assured that you have an added level of financial protection in place.

How it Works

1. Select a plan option.
2. When an accident occurs—whether minor or major—the plan will pay a lump-sum benefit based on the type of injury incurred.
3. If you receive treatment, the plan will continue to pay benefits for services like:
 - Visit to the emergency room.
 - Physician's office/Urgent care visit.
 - Hospital admission.
 - Ambulance—Air/Ground transportation.

**Cash benefits are paid directly to the insured with
no restrictions on how the funds can be used.**
